

TULIP BEAUTY & SPA RITUALS

SPA etiquette

Tulip Beauty & Spa Rituals' mission is to create unique and memorable experiences! We encourage you to step into the Tulip universe!

The highest quality standards are reflected in luxury services offered in a refined, intimate and comfortable setting. Therefore please note the following recommendations:

Appointment: schedule your appointment at the Tulip Beauty & Spa Rituals reception or call 037 from your hotel room, as soon as possible after check-in. Guests who are not staying in Vega Hotel are kindly asked to book the appointment a few days prior, by contacting us at 0040 241 607 611 or tulip@hotelvega.ro.

Arrive a few minutes before the scheduled appointment, in order to have enough time for the procedures and to avoid shortening your treatment. During this time you can fill out the lifestyle questionnaire, which will give our therapists relevant information and will help them give you the best recommendations.

Medical conditions: we recommend mentioning them in your lifestyle questionnaire, as well as directly to the therapist.

Mobile telephones have to be switched off or on silent mode, to allow you and our other guests to spend a quality time.

Cancellation: any modification or cancellation has to be made at least 6 hours prior to the appointment.

Communication is essential for a successful procedure. We encourage you to ask for information on different therapies and to express your wishes or concerns.
